

Financial Tear Sheet

CORPORATE PROFILE

Fang operates the leading real estate Internet portal in China in terms of the number of page views and visitors to its websites in 2015. Through our websites, we provide marketing, e-commerce, listing and other value-added services for China's fast-growing real estate and home furnishing and improvement sectors. Our user-friendly websites support active online communities and networks of users seeking information on, and other value-added services for, the real estate and home furnishing and improvement sectors in China. Fang currently maintains about 100 offices to focus on local market needs and its website and database contains real estate related content covering more than 320 cities in China. For more information about Fang, please visit <http://ir.fang.com>.
