FANG ANNOUNCES RECORD DATE FOR PROPOSED SEPARATION OF CHINA INDEX HOLDINGS BY DISTRIBUTION

BEIJING, May 16, 2019 /PRNewswire/ -- Fang Holdings Limited (NYSE: SFUN) (“Fang”), a leading real estate Internet portal in China, today announced the record date for the proposed separation of China Index Holdings Limited (“CIH”), a wholly-owned subsidiary of Fang, by way of distribution.

Fang’s board of directors has set May 28, 2019 as the record date for the dividend of (i) CIH’s Class A ordinary shares to be paid to holders of Fang’s ordinary shares, and (ii) CIH’s American depositary shares (each representing one of CIH’s Class A ordinary shares) to be paid to holders of Fang’s American depositary shares, in order to effect the separation of CIH from Fang.

Each holder of Fang’s ordinary shares (including both Fang’s Class A ordinary shares and Fang’s Class B ordinary shares) of record as of 5:00 p.m. Eastern Time on the record date will receive one CIH’s Class A ordinary share for every one of Fang’s ordinary share. Each holder of Fang’s American depositary shares of record as of 5:00 p.m. Eastern Time on the record date will receive one CIH’s American depositary share for every five of Fang’s American depositary shares. The distribution will be made in book-entry form. No fractional CIH’s ordinary shares will occur in the distribution. Fractional CIH’s American depositary shares will not be distributed. Instead, the depositary bank will aggregate such fractional CIH’s American depositary shares into whole CIH’s American depositary shares, sell such whole CIH’s American depositary shares in the open market at prevailing rates promptly after CIH’s American depositary shares commence trading on the Nasdaq Global Market, and distribute the net cash from proceeds from such sales pro rata to each holder of Fang’s American depositary shares who would otherwise have been entitled to receive fractional CIH’s American depositary shares in the distribution.

The proposed separation and distribution is subject to the Securities and Exchange Commission (the “SEC”) having declared effective CIH’s registration statement on Form F-1 and the completion of the listing process for CIH’s American depositary shares to trade on the Nasdaq Global Market. The completion of the separation and distribution is also subject to the conditions set forth in the separation and distribution agreement to be entered into between Fang and CIH, the form of which is filed as an exhibit to CIH’s registration statement on Form F-1 filed on May 10, 2019 in connection with the proposed separation and distribution.

No action is required by holders of Fang’s ordinary shares or Fang’s American depositary shares in order to receive CIH’s Class A ordinary shares or CIH’s American depositary shares in the distribution. After the completion of separation and distribution, CIH’s American depositary shares are expected to trade on the Nasdaq Global Market under the stock ticker symbol “CIH,” and Fang’s American depositary shares will continue to trade on New York Stock Exchange under the stock ticker symbol “SFUN.” Fang will not retain any equity interest in CIH.

Fang expects to effect the proposed separation and distribution as soon as practicable. There can be no assurance, however, as to the commencement or completion of the separation and distribution.
